

WITS Security Protocol for RSS Providers

Effective January 10, 2016

RSS Agencies may decide to manage and create their own agency staff records in WITS. RSS Agencies that decide not to manage create their own agency staff records are still required to submit a WITS support ticket using the following information.

Adding a New Staff Member's Account

1. The new Staff Member must complete and sign an Idaho WITS User Agreement.
2. Create and assign roles for the Staff Member Account (*this is not required if your agency has decided not to manage their own staff records in WITS*).
3. Create a WITS Support Ticket. Support Ticket Type = Account Administration.
 - a. Include the following information in the Description field:
 - i. **Staff Member's first and last name**
 - ii. **Email address for the Staff Member**
 - iii. **Phone number (Staff Member's work phone number)**
 - iv. **Access for Staff Member (document if they need access to ALL facilities or access to only specific individual facilities).**
 - b. Save the Support Ticket and attach the Idaho WITS User Agreement.
 - c. Click **Submit to WITS Admin** in the bottom left corner to submit the Support Ticket to the WITS Help Desk for processing.

Revoking a Staff Member's Account

1. Revoke (Lock) the Staff Member's account in WITS (*this is not required if your agency has decided not to manage their own staff records in WITS*).
2. Complete a WITS Revocation Form for the Staff Member (the AWA's or supervisor's signature is required).
3. Create a WITS Support Ticket. Support Ticket Type = Account Administration.
 - a. Save the Support Ticket and attach the WITS Revocation Form.
 - b. Click **Submit to WITS Admin** in the bottom left corner to submit the Support Ticket to the WITS Help Desk for processing.

Requesting Changes to a Staff Member's Account

Name Change

1. Change the Staff Member's name on the Staff Member screen in WITS (*this is not required if your agency has decided not to manage their own staff records in WITS*)
2. Change the Staff Member's User Login ID on the Staff Member's Account screen in WITS (*this is not required if your agency has decided not to manage their own staff records in WITS*)
3. Create a WITS Support Ticket. Support Ticket Type = Account Administration.
 - a. Include the following information in the Description field:

- i. **Change (Staff Member's name) from (previous name) to (new name).**
- b. Click **Submit to WITS Admin** in the bottom left corner to submit the Support Ticket to the WITS Help Desk for processing.

Email Address Change

1. Change the Staff Member's email address on the Staff Member screen in WITS (*this is not required if your agency has decided not to manage their own staff records in WITS*).
2. Create a WITS Support Ticket. Support Ticket Type = Account Administration.
 - a. Include the following information in the Description field:
 - i. **Change (Staff Member's name) from (previous name) to (new name).**
 - b. Click **Submit to WITS Admin** in the bottom left corner to submit the Support Ticket to the WITS Help Desk for processing.
